PO'S TREE LANTERN

Po and Mr Ping love to make lanterns together for the winter holidays. You can make your very own Kung Fu Panda lantern by following the instructions below!

- THINGS YOU'LL NEED:**
- Scissors • Ruler
 - Glue • Card

HOW TO:

1. Cut the large rectangular patterned box out.
2. Fold the rectangle in half lengthways.
3. Use scissors to cut into the folded edge of the card, stopping about 2cm away from the opposite edge. Leave a 2cm gap and cut again until you reach the end of the paper.
4. Unfold the card and glue the short ends of the card together to make your lantern!
5. To make your handle, cut a strip of card 2cm wide and stick the strip across the inside of the top of the lantern.
6. You can add extra decoration by adding glitter, ribbon or your own drawings!
